**Amser Cinio**  
**Dydd Iau**  
**12:30 - 1:05**

Clwb yr Urdd is a fun, exciting and relaxed club where pupils have the chance to communicate through the medium of Welsh.

In the club, pupils are able to order and pay for their food in Welsh, whilst the games and activities help them practise and learn new vocabulary.

Pupils also experience and learn about Welsh culture. We've already had a 'Bwyd Cymreig' day where the pupils were able to taste Welsh foods. Although the pupils enjoyed the experience, it's obvious from the pictures that not all the food tickled their taste buds!
